Under the Company's Share Repurchase Program, to the extent the Company chooses to redeem shares in any given month, the Company will only redeem shares on the last business day of the month (the Repurchase Date). To have your shares repurchased, your repurchase request and required documentation must be received in good order by 3:00pm (Central time) on the fourth to the last business day of the applicable month. If a repurchase request is received after such time, the repurchase request will be executed, if at all, on the next month's Repurchase Date at the transaction price applicable to that month. Repurchase requests received and processed by our transfer agent will be effected at a repurchase price equal to the transaction price on the applicable Repurchase Date (which will generally be equal to the Company's most recently disclosed net asset value (NAV) per share). Settlements of share repurchases will be made within three business days of the Repurchase Date. We cannot guarantee that we will have sufficient available funds or that we will repurchase all requests made in any applicable redemption month.

A stockholder may withdraw his or her redemption request by notifying Inland Investor Services directly; or through the stockholder's financial intermediary, on our toll free telephone line at 800.826.8228 by 12:00pm (Central time) on the last business day of the applicable month.

All redemption requests are subject to the complete terms of the Company's Share Repurchase Program, as it may be amended from time to time. The current plan is available at inland-investments.com/inpoint, and you are encouraged to review it prior to submitting a repurchase request.
